## Need Help Finding Housing That Is Accessible, Affordable and In Your Area of New York State?

### The **NYS Accessible Housing** Registry Is Now Online

If you are a person with a disability looking for housing, or you are helping someone look for accessible housing, CIDNY's improved housing registry, [www.nysaccessiblehousing.org](http://www.nysaccessiblehousing.org) can help. The easy-to-use Registry supplies extensive information concerning affordable and market-rate housing throughout New York State, including information on accessibility features.

The Registry allows you to search for housing by:

- location including by town, zip code and major cities
- income, age or disability requirements

Each development listing contains contact information for the sites owners and property managers.

By entering some basic search criteria, people with disabilities can obtain information about:

- Vacancies
- Developments known to have accessible and affordable units
- Active wait lists and lotteries

If you have any questions or need help in accessing the site, please contact [access@cidny.org](mailto:access@cidny.org).

This project is managed by [CIDNY](http://www.cidny.org) (Center for Independence of the Disabled in New York).
